President's Report

As reported in the last Orderboard the position of the CMRS President is open, as well as two other positions. If anyone is interested in joining the Board of Directors please contact any of the Directors as listed on page 3. These are not necessarily the positions that new Board Members will fill; positions are filled based on Board Member experience and interest. Volunteers will be appointed to the Board in the interim until the AGM.

We hope to see everyone at the Glenmore Inn on June 5th for the Flea Market and some interesting clinics that members are putting on.

Thanks everyone and have a great summer.....

Introduction

This edition of the Orderboard is a short update, mostly about the June 5 Calgary Model Trainmen Flea Market and speakers on various topics. This will be the last Orderboard for the 2021-2022 season and will start up again in September 2022 for the 2022-2023 season.

Also if anyone has photos you would like to share on the Orderboard of your model railroad please forward them to me along with a short description.

This edition we will be sharing a CMRS Memoriam of volunteers, members in the model railroad community in Calgary. This will be published a few times each year. This was brought up at the 2021 Fall AGM meeting and motion was passed. Anyone who would like to submit any names can email me at jmorphy2020@outlook.com

We are looking ahead to 2023 and having Layout tours again. You can contact myself or Richard Walker as listed under Directors contact information. We are both new at this but Bain will be helping us get this organized. Thanks Bain for all your help.

Please see the events column and the CMRS web page for those dates upcoming.

Thank you

John Morphy
Editor, OrderBoard

Memberships

It's getting close to that time of year again when CMRS memberships expire. If your membership card reads 2021 or 2022, you need to renew this year. I will be emailing everyone whose membership expires June 30 to remind them to renew. Renewal can be done very easily in person at the Spring Mini-Meet on June 5th or by following the instructions at this link: <https://www.calgarymodelrailway.ca/join.html>.

Memberships are still only \$10.00/year but we may not be able to hold that price much longer with rapid inflation. Best to renew now and lock in the current rates.

Please consider bringing a friend who is not currently a member to the Spring Mini-Meet so we can sign him or her up – new members are essential for maintaining our activities.

Spring Mini-Meet

We are currently planning a full agenda for the Spring Mini-Meet including:

- The CMT Flea Market from 9:00-11:00;
- A full series of clinics;
- Lunch, and
- Model display/show and tell.

As you are probably aware, SuperTrain has financed many of our activities in the past including the Mini-Meets. With no SuperTrain for the last three years, our finances have declined and the board has been looking for ways to control costs while still providing a full slate of member activities. To this end, we have dropped the large meeting room used in the past for model displays. In its place the Flea Market, lunch seating and model display will all take place in one room at separate times. As a result, the model display will now take place from 13:00 to 14:30.

Looking for Slide Night Presenters

We are looking at the possibility of having Slide Night in 2022 (tentatively November 18) and I am looking for members who would be interested in presenting their multimedia for this event. I would like to have a minimum of four presenters lined up before I go ahead to set a date and book the church. Contact me at brcrispy@telus.net if you are interested.
